

Service Awards

Board of Directors:

- host a dinner at a local restaurant, inviting the board members and a guest, and give a gift of a pen and portfolio with their name engraved on it. During dinner, give special recognition to the board members who are leaving or members who have gone above and beyond the already above and beyond in service to the center through the year
- taken from the movie theme "Michael" where John Travolta was an angel and kept losing his feathers, the CAC in Broome County, NY bought a bag of white feathers and affixed them to the corner of a certificate we gave each of the Board. As each member was presented with the certificate, the CAC did a "corny bit" about how each time they finish an event where they have stepped in to help the center, or after each Board meeting, the seem to find these white feathers lying about.
- instead of monthly meeting, in December, provide a full Holiday Breakfast prior to the meeting and give each Board member a tin of homemade candy/cookies, etc.
- the CAC in Ocala, FL cooked breakfast for their Board and gave them a small Battenberg lace angel, representing that they are the CAC's Angels for the Children.
