

Patient/family education update

October 2003

Patient/family education materials

Listed are the latest changes to Children's Patient/Family Education Materials system. If you have a Patient/Family Education Reference book, update it as indicated below. Please discard **all** outdated sheets from your book and your files. **Note:** If you want to stop maintaining a notebook, please contact linda.broz@childrenshc.org. You can choose to receive this monthly update by E-mail.

do so little.
Together we
can do so
much.*
