The screenshot shows the MyChildren's Minnesota website interface. On the left is a navigation menu with items: MyChildren's home, Appointments, Messages, Medical record, Patient information, and Pay your bill. The top right shows the patient's name, Sally Smith, and an Allergies section listing shellfish, Cats, and No Known Medication Allergies. The main content area features a 'My CHILDREN'S' logo and a headline: 'Influenza (flu) vaccine is available at Children's Minnesota clinics'. Below this, it instructs users to schedule an appointment and provides reasons for vaccination. A section titled 'Need copies of your child's medical record?' explains the need for a Release of Information (ROI) form and lists two steps: 1. Print the ROI form, 2. Complete the ROI form.
