

## MyChildren's: Setting Up an Account

This document explains how to set up your MyChildren's account.

### Register for MyChildren's

To register for MyChildren's, ask the front desk staff in your clinic or the Patient Registration staff on an inpatient unit. You can also enroll by calling Children's Health Information Management at 612-813-6216. Patients under 18 must have their parent/legal guardian request a MyChildren's account.

After you register, you'll receive an e-mail invitation. Clicking the link in the email opens the Welcome Screen.

## Welcome/Verify the Patient's Identity

The next step is to verify the patient's identity. Enter the patient's Date of birth and the security question you used when you registered for MyChildren's. Click the checkbox to agree to Terms of Use and Privacy Policy. Then click **Create Your Account**.

## Welcome to MyChildren's

MyChildren's is an online resource offered by Children's Minnesota to give you secure access to portions of your child's electronic health record.

### Answer the Security Question

Verify the patient's date of birth and answer your security question.

Date of birth

Month	Day	Year
January ▾	1	2020

Enter the year as 4 digits.

What is your pet's name?

The answer to this security verification question may have been provided when you were invited to join.

Now you will have online access to your Children's Minnesota medical record.

The screenshot displays the MyChildren's Minnesota portal. On the left is a sidebar menu with options: MyChildren's home, Appointments, Messages, Medical record, Request a copy of medical record, Patient information, Pay your bill online, and Children's Minnesota news. The main content area features a banner for 'My CHILDREN'S' with the tagline 'Online access to your Children's Minnesota medical record'. Below the banner, there are sections for 'Spanish version available', 'Para usar el portal en español, inicie sesión', and 'How to schedule COVID-19 vaccines for Children's Minnesota patients'. The right-hand panel shows the user's profile (Father6 HealtheLife6), a dropdown for 'Viewing health record for Patient6 HealtheLife6', and sections for 'Allergies' (listing Tree Nuts), 'Latest Results' (stating 'No information recorded'), and a link to 'View Lab results'.
