

MyChildren's: Setting Up an Account

This document explains how to set up your MyChildren's account.

Register for MyChildren's

To register for MyChildren's, ask the front desk staff in your clinic or the Patient Registration staff on an inpatient unit. You can also enroll by calling Children's Health Information Management at 612-813-6216. Patients under 18 must have their parent/legal guardian request a MyChildren's account.

After you register, you'll receive an e-mail invitation. Clicking the link in the email opens the Welcome Screen.

Now you will have online access to your Children's Minnesota medical record.

The screenshot displays the MyChildren's Minnesota portal. On the left is a navigation menu with options: MyChildren's home, Appointments, Messages, Medical record, Request a copy of medical record, Patient information, Pay your bill online, and Children's Minnesota news. The main content area features a banner for 'My CHILDREN'S' with the tagline 'Online access to your Children's Minnesota medical record'. Below the banner, there are instructions in Spanish: 'Spanish version available' and 'Para usar el portal en español, inicie sesión', along with a section titled 'How to schedule COVID-19 vaccines for Children's Minnesota patients' which includes three bullet points. On the right, a sidebar shows the patient's health record for 'Patient6 HealthLife6', with sections for Allergies, Tree Nuts, Latest Results (noting 'No information recorded'), and a link to 'View Lab results'.
