Legal guardians and visitor wellness screening tool

To protect our patients, please do not visit today if you do not feel well or if you answer “yes” to any of these questions:

<table>
<thead>
<tr>
<th>Do you have a:</th>
<th>No</th>
<th>Yes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fever?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Cough?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Runny nose, sore throat or other cold symptoms?</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Diarrhea or vomiting?</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

If the answer is **NO to all of the above, and you are age 5 or over:**

- You have passed the wellness screening.
- You MUST perform hand hygiene NOW and each time you enter or leave the patient’s room.
- Further visiting restrictions may be in place on the patient care unit – check with the patient’s nurse.

If the answerer is **YES to any of the above, and you are a legal guardian of the patient:**

- You MUST perform hand hygiene now, and when entering and leaving the patient’s room and frequently while in the room.
- If the answer is **yes to any of the grey shaded areas**, you MUST wear a mask while in the hospital and in the patient’s room.

If the answer is **YES to any of the above, and you are not a legal guardian of the patient:**

- You may not visit.
- Please perform hand hygiene and limit yourself to public areas of the hospital only.
- You MUST wear a mask while in the hospital if you answered yes to any of the grey shaded questions above.

Exceptions can be made to visit the patient in rare circumstances if approved by the patient care manager or patient care supervisor.

Effective November 13, 2018
