

Children's Minnesota Medical Education

CHILD ABUSE AND NEGLECT SUPERVISION GRID

This supervision grid is a guideline and is not intended to interfere with the provision of life-saving care. An attending physician will be involved in and responsible for the care of each hospital patient.

Supervision Guidelines	Medical Student	PA Student	APRN 1st year	APRN 2nd year	PGY1	PGY2	PGY3	PGY4	Fellow
<p>"1" = A Member of the Professional Staff who is privileged to perform the procedure is physically present while the procedure is being performed.</p> <p>"2" = A Member of the Professional Staff who is privileged to perform the procedure is consulted prior to performing the procedure.</p> <p>"3" = The procedure may be performed independently while under the general supervision of the medical education program.</p> <p>"S" = The procedure may be performed after consultation with a member of the Professional Staff AND while directly observed by a supervising resident or fellow.</p>									
Video colposcopic anal/genital exam (Not an internal exam for diagnosis of cervical pathology. This is a method of documentation of the anus and vaginal opening for acute or healed trauma)	1	1	S	S	1	1	1	1	2
General physical exam	S	S	1	2	3	3	3	3	3
Vaginal culture and intravaginal specimen collection	1	1	S	S	1	1	1	1	2
Minimal sedation or local anesthesia	1	1	S	S	1	1	1	1	2
Moderate or deep sedation**	1	1	S	S	1	1	1	1	1
Throughout the term, the student and supervisor at Children's Minnesota must ensure that validation of these skills has occurred prior to performing independently. Documentation of these skills is captured in the academic files of the student, which are maintained by the student and academic institution.
