Children's Minnesota Medical Education GENDER HEALTH SUPERVISION GRID

This supervision grid is a guideline and is not intended to interfere with the provision of life-saving care. An attending physician will be involved in and responsible for the care of each hospital patient.

Supervision Guidelines					
"1" = A Member of the Professional Staff who is privileged to perform the procedure is physically present while the procedure is being performed.	lent	ب			
"2" = A Member of the Professional Staff who is privileged to perform the procedure is consulted prior to performing the procedure.	Stuc	Student	APRN	Resident	Fellow
"3" = The procedure may be performed independently while under the general supervision of the medical education program.	Medical Student	PA S	⋖	Res	<u> </u>
"S" = The procedure may be performed after consultation with a member of the Professional Staff AND while directly observed by a supervising resident or fellow.	_
