

# Children's Minnesota Medical Education

## IMMUNOLOGY AND INFECTIOUS DISEASE SUPERVISION GRID

This supervision grid is a guideline and is not intended to interfere with the provision of life-saving care. An attending physician will be involved in and responsible for the care of each hospital patient.

Supervision Guidelines	Medical Student / PA Student	APRN PNP 1st year	APRN PNP 2nd year	APRN NNIP	Resident	Fellow
<p>"1" = A Member of the Professional Staff who is privileged to perform the procedure is physically present while the procedure is being performed.</p> <p>"2" = A Member of the Professional Staff who is privileged to perform the procedure is consulted prior to performing the procedure.</p> <p>"3" = The procedure may be performed independently while under the general supervision of the medical education program.</p> <p>"S" = The procedure may be performed after consultation with a member of the Professional Staff AND while directly observed by a supervising resident or fellow.</p>						
Initial history and physical assessment for Infectious Disease consultation	2	1	2	2	2	3
Inpatient and outpatient follow up visits	2	1	2	2	2	3
Telephone consultations	1	1	2	2	2	3

Throughout the term, the student and supervisor at Children's Minnesota must ensure that validation of these skills has occurred prior to performing independently. Documentation of these skills is captured in the academic files of the student, which are maintained by the student and academic institution.
