

# Web Link information for Fellows/Residents/Students:

---

This link allows Students and Residents to utilize the on-line **ENROLLMENT process** who will be rotating on the campuses of Children's Hospitals and Clinics of Minnesota to complete required documentation by security, HIPPA, and ACGME compliance regulations.

## **If you are OUTSIDE of Children's:**

This link can be acquired from one of the coordinators in your program or from the Med Ed Department at Children's

<https://www.childrensmn.org/applications/mededenrollment/index.asp>

Copy, cut and paste this web-link into your web browser (i.e. Internet Explorer, etc.)

## **If you are IN-HOUSE at Children's:**

Simply go to the Children's Website at [www.childrensmn.org](http://www.childrensmn.org), click on the left side in green - Departments and Committees > Medical Education Department > Graduate Medical Education > Online Enrollment System (middle of the GME page.)

## **Please Note:**

- 1. You will need to complete the enrollment process at least one week prior to your start date to ensure you have the correct computer access when you arrive at Children's**
- 2. If this is your first enrollment the process will take approximately 30-45 minutes. If you return to either Children's campuses you will only need to "update" your information and this will take just 5-10 min.**
- 3. You will need your immunization dates to complete the enrollment form. If you are a Univ. of MN student or resident, you can go to your "MY-U" on the U of M website, under the health and wellness section, to view a copy of your immunizations.**

**NOTE: All sections of the enrollment form must be completed to gain computer access at Children's.  
Thank you for your compliance.**
