

Professional Staff Portal - The login for the Professional Staff Portal has changed. Please use your Children's username and password. For those of you with a CE number, you would use the CE number as the username and your current password. This would be the same username and password used in accessing Cerner, eClinicalWorks, or GroupWise.

For **Internal** users, the portal access can be found in a link on the References section of the Administrative page on StarNet. Please use this link for the best access without technical issues.

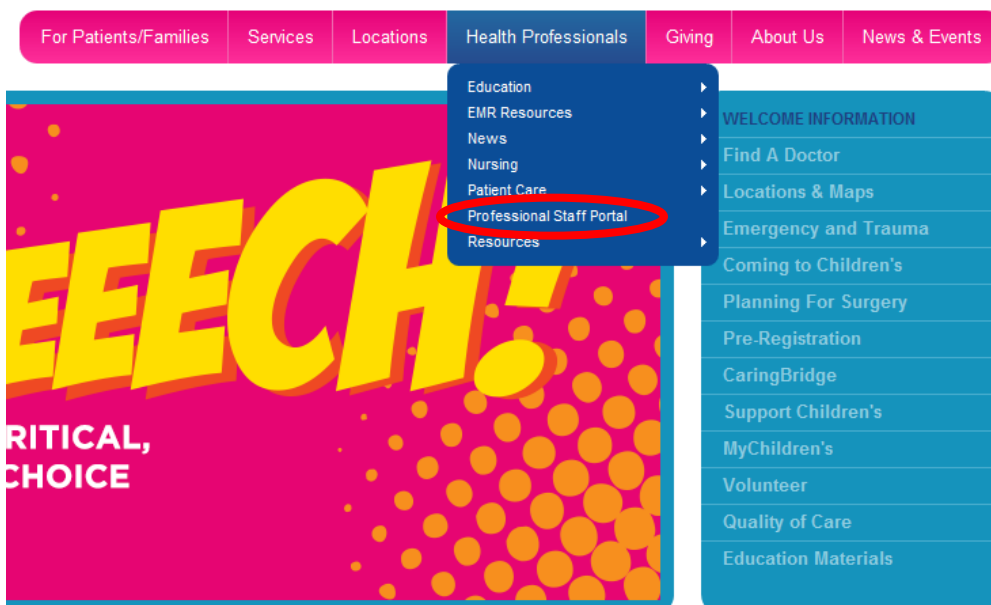

Step 1

Step 2

For **External** users, the portal access can be found in the pink information bar at the top of the page under the heading Health Professionals.

If you need help accessing the portal or updating your password, please contact the **IT helpdesk** at **651-855-2500**.
