Simulation Center is located at 2424 West Territorial Road, St. Paul MN 55114

The ACLS initial provider and refresher classes will be completed through the on-line AHA ACLS HeartCode. ACLS Heart Code will appear in your Self Service 24hrs after registering for the class. The online ACLS HeartCode content needs to be completed prior to attending the skills check on the VAM. **Print and bring your AHA ACLS HeartCode part 1 completion certificate with you to complete your skills session.**

Children's employees: Register through Self Service

You can enroll (and drop) via [Self Service](#); type "ACLS" in the search field.

Questions can be directed to: AHAENATrainingCenter@childrensmn.org.

External health professionals can find registration information on our website:

[Certification Courses](#), Scroll down to ACLS.

You can purchase your on-line AHA ACLS HeartCode through the provided AHA link.

[HeartCode® ACLS Part 1](#)

The cost for the ACLS HeartCode Skills Check is \$40.

To receive your ACLS certification, you must

- Complete the AHA on-line ACLS Heart Code and print the certificate;
- Achieve CPR and Bag Valve Mask competency on the adult VAM;
- Complete and submit the evaluation form at the end of your skills check.
