

Neonatal CCRN Exam Review Seminar

June 15-16, 2015

8 a.m. – 4:30 p.m.

Education Center, Children's – Minneapolis

The Neonatal CCRN Exam Review Seminar provides a comprehensive and up-to-date review of neonatal critical care nursing care based on the Neonatal CCRN exam content outline. This two-day course not only promotes certification exam success, but also enhances clinical nursing practice. Participants will:

- Review and enhance test-taking skills
- Decrease anxiety related to the Neonatal CCRN exam
- Identify content outline and resources for the Neonatal CCRN exam
- Identify typical presentation as well as management of neonatal critical care situations
- Enhance nursing care of critically ill infants
