

# Pediatric CCRN Exam Review Seminar

August 3-4, 2015

8 a.m. – 4:30 p.m.

Education Center, Children's – Minneapolis

The Pediatric CCRN Exam Review Seminar provides a comprehensive and up-to-date review of pediatric critical care nursing care based on the Pediatric CCRN exam content outline. This two-day course not only promotes certification exam success, but also enhances clinical nursing practice. Participants will:

- Review and enhance test-taking skills
- Decrease anxiety related to the Pediatric CCRN exam
- Identify content outline and resources for the Pediatric CCRN exam
- Identify typical presentation as well as management of pediatric critical care situations
- Enhance nursing care of critically ill infants and children

## FOCUS AREAS

### Monday, August 3

- Test-taking strategies
