

Neonatal Resuscitation Program

2016 NRP classes

All Classes are at the Simulation Center
2424 Territorial Road, St. Paul (1 block east of WestGate/HR)
Register in Self Service

1.25.16	0730 and 1000
2.8.16	1500 and 1730
2.22.16	1000 and 1230
3.1.16	1200 and 1430
3.21.16	1200 and 1430
4.6.16	0800 and 1030 and 1300
4.19.16	1800 and 2030
5.9.16	1500 and 1730
5.23.16	1700 and 1930
6.14.16	1500 and 1730
6.27.16	1200 and 1430
7.6.16	1200 and 1430
7.28.16	0730 and 1000
8.1.16	1000 and 1230
8.17.16	1500 and 1730
9.6.16	1500 and 1730
9.15.16	1000 and 1230
9.26.16	1000 and 1230
10.13.16	1200 and 1430
10.24.16	0800 and 1030
11.1.16	1000 and 1230 and 1500
11.21.16	1000 and 1230
12.1.16	1200 and 1430
12.13.16	1200 and 1430

Learning objectives:

Upon completion of the education activity, the participant will be able to:

- List the three primary signs for evaluation of the newborn during resuscitation.
- List, in correct sequences, the steps in resuscitation of the newborn.
- Demonstrate knowledge of neonatal resuscitation by successfully completing NRP written evaluation/examination.
- Participate in a simulation debriefing of the neonatal resuscitation.

Textbooks:

- Within 1-3 days, the AHA center will send an NRP textbook to your unit mailbox via interoffice mail.
- Make certain your name, unit, and mailstop information is correct in the phone directory on StarNet.
- **Your NRP card will not be issued until the textbook is returned to AHA. Bring to the SIM Center or send by interoffice mail to AHA Training Center mailstop 2424T.**
- You can contact AHA at AHAENATrainingCenter@childrensmn.org

Pre-requisite:

Completion of NRP pre-test in ELM. You must print a certificate of completion prior to attending class. You must register to attend a specific time-frame for your competency course.
