

Pediatric Advanced Life Support PALS HeartCode Skills Station

2016 PALS HeartCode Skills Sessions

- Jan 6 and 27
- Feb 3 and 25
- March 10 and 31
- April 14
- May 5 and 18
- June 2 and 15
- July 7 and 21
- Aug 4 and 16
- Sept 8 and 22
- Oct 19 and 25
- Nov 10 and 30
- Dec 6 and 14

8am – 12:00pm or 12:30pm to 4:30pm (Choose one session only)
Simulation Center, 2424 Territorial Road, St. Paul MN 55114

The PALS initial provider and refresher classes will be completed through the on-line AHA PALS HeartCode. PALS HeartCode will appear in your self-service 24hrs after registering for the class. The online PALS HeartCode content needs to be completed prior to attending your skills session. **Print and bring your AHA on-line PALS HeartCode part 1 completion certificate to your skills session.**

BLS Heart Code will continue to be automatically assigned to you when you register for your PALS certification and will appear in your Self Service. The BLS skills check can be completed on campus utilizing the Voice Activated Mannequins (VAM) prior to class or at the SIM center after the PALS skills check session has finished. **Print and bring your AHA on-line BLS HeartCode part 1 completion certificate to your skills session.**

Childrens' employees Register through Self Service

You can enroll (and drop) via [Self Service](#); type "PALS" in the search field.

Questions can be directed to: AHAENATrainingCenter@childrensmn.org.

To receive your PALS and BLS certifications

- Complete the AHA on-line PALS and BLS Heart Code and submit the certificates at the beginning of the skills check
- Successfully complete a Respiratory or Shock scenario and one Cardiac scenario.
- Achieve CPR competency on the Adult and Infant Voice Activated Mannequins (VAM)
- Sign in and attend the entire skills session
- Complete and submit the evaluation form at the end of class.
