Sensi-Care Sting Free Adhesive Remover

Replacement for Medi-sol Orange Adhesive Remover

The Sensi-Care Sting Free adhesive remover by ConvaTec is a newly available product on the market. It has been trialed by nurses here at Children's and approved for use. Advantages to this product include the fact that it does not leave a residue and can be used with ostomy bags.

Please note the following:

- Sensi-Care Sting Free adhesive remover will replace the Medi-sol Orange oil adhesive remover in all areas.
- Sensi-Care Sting Free adhesive remover will be stocked wherever the Medi-sol Orange oil product was stocked.
- It will be available on some units and through Cerner.

Questions? Please contact Sandra Ohelke, WOCN, Skin Integrity APRN or the Center for Professional Development and Practice (CPDP).
