

My Sedation Journey

At Children's, we realize that knowing what to expect makes your stay less stressful. We are here to help you through each step of the way. Use this checklist as a guide for what you need to know before taking your child home. Please ask us any questions that you have along the way.

1

We met our sedation nurse.

2

My child's ID bracelet is on and we verified allergies.

3

My child is wearing appropriate clothing for the procedure.

4

We met the sedation provider and signed consent.

5

I can tell you about the comfort options for starting my child's IV.

6

Our questions and concerns about the procedure have been addressed.

7

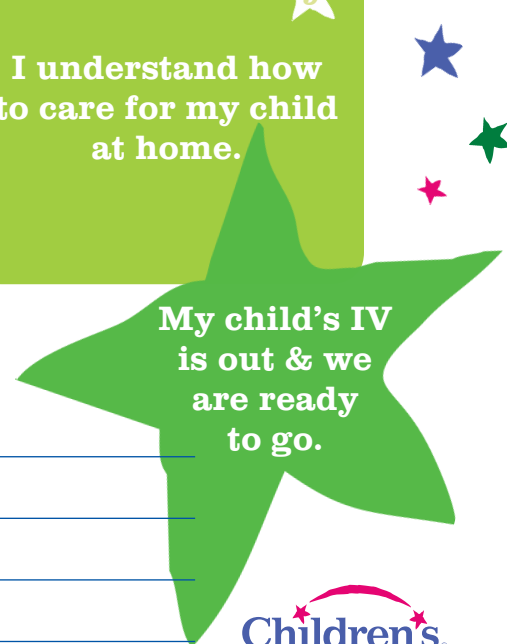

I know where to wait during the procedure.

8

My child is awake and able to eat a popsicle or drink juice.

9

I understand how to care for my child at home.
