Travel north on Hiawatha Avenue/Hwy 55 to E 26th Street. Turn left on E 26th Street and proceed west to Chicago Avenue. See (P) below for parking information.

(F) From the East

Traveling west on I-94, exit at Cedar Avenue and turn left. Proceed south on Cedar Avenue to E 26th Street. Turn right on E 26th Street and proceed west to Chicago Avenue. See (P) below for parking information.

(P) Parking ramps

The entrance to the Green parking ramp is off E 26th Street, west of Chicago Avenue. To get to Children's Specialty Center, take the ramp elevator to floor 2 and then proceed through the hallway to the specialty center elevator. To get to the hospital follow the skyway across Chicago Avenue. Parking fees are posted at the ramp entrance.

Children's emergency department entrance is off E 25th Street.

For additional information, visit childrensMN.org

Children's Minneapolis Campus

The main hospital entrance is on Chicago Avenue. Most of our clinics are located in Children's Specialty Center across the street. Check with your clinic to make sure you are going to the right building. You can access the specialty center and the hospital through the Green Parking Ramp. Patient parking spaces are labeled. To get to the specialty center, take the ramp elevator to floor 2 and then proceed through the hallway to the specialty center elevator. To get to the hospital follow the skyway across Chicago Avenue.

Visitor guidelines

Families are welcome at all times unless, because of illness, visiting would pose a risk to patients. Please go to childrensMN.org for the latest visitor guidelines. Children's is proud to be a smoke-free campus.

Photo ID badge

To help create a safe and welcoming environment at Children's, all adults (16 and older) must wear a photo ID badge while in the hospital. Please stop at the Welcome Center to receive a badge.

Cellular telephones

Cellular telephones can interfere with normal operation of medical equipment. To avoid any problems, cellular telephones must be powered off in ICC, IMC, NICU, PICU, special diagnostic center and within three feet of a patient's medical equipment in other areas of the hospital.
