LODGING

Families may choose to stay overnight in the patient room or select from any of the nearby hotels listed below, many of which also provide shuttle service to and from the hospital. The Ronald McDonald House may be an option for some families.

Ronald McDonald House

All families of patients in the CVCC, ICC, NICU and PICU are automatically granted access to the House for day use. Family members should stop by RMH to complete a short registration form.

- Overnight sleeping rooms are requested by families and are coordinated through Social Work.
- For additional questions about access and use, please take with the unit based Social Worker or call the Social Work department at 612-813-6138.

Hotels

***Note:** The hotels listed here offer special medical rates for patient families and their visitors. To receive a discounted rate, ask for the Children's Hospitals and Clinics of Minnesota rate when making reservations.*
