

Nuance® PowerShare™ Network

Expedite your Transfer with PowerShare

Utilize temporary access to immediately share images and reports.

1 Go to www1.nuancepowershare.com and **Login:**

e-mail:

password:

NOTE: Your temporary e-mail and password will be provided by site.

2 After logging in, select **Launch Upload Tool**.

Use the on-screen search to navigate to your images (either the CD Drive or a network location) and then click **Next**.

3 **Select** the specific study or studies you wish to upload.

NOTE: You may also provide additional information using the **Tags** field.

4 Your upload progress will be displayed. Both you and the requesting site can now **view the images**.

➔ **After uploading, call 1-866-809-4746 to setup a free, permanent PowerShare account.**

Once enabled, we will work with you to setup direct sending from your PACS, saving valuable time on your next transfer.
