

★ FAMILY ACTIVITY ★

LET'S GIVE BACK!

STEP 1

Have each family member identify one way you can give back this month and ask everyone to write it down in the space below. Hang it up as a reminder of that commitment.

For the month of: _____

STEP 2

Once everyone has completed their activity, in the space below or on the back of this paper write or draw a picture of what emotion you felt while giving back. Have everyone share their word or drawing at a family meal.

Thank you for being amazing!
