VACCINE INFORMATION
A guide to reliable resources

Become well informed
There is a lot of vaccine information out there — on television, in magazines and on the internet — and it can be hard to know what is accurate and reliable. Here is a list of vaccine information resources recommended by Children’s Minnesota. It is also important to talk with your health care provider about any questions you have about vaccinations.

Reliable online resources

**Experts**
- [cdc.gov/vaccines/parents](http://cdc.gov/vaccines/parents)
  Centers for Disease Control and Prevention
- [vaccineinformation.org](http://vaccineinformation.org)
  National Network for Immunization Information
- [healthychildren.org](http://healthychildren.org)
  American Academy of Pediatrics
- [vaccinateyourbaby.org](http://vaccinateyourbaby.org)
  Every Child by Two (ECBT)

**Travel**
