Why do we ask these questions and what do we do with the information?

- We ask every patient questions about things that can affect their health. It is okay to leave some questions blank if you don't want to answer.
- Please answer the questions on your own without help from your parent/caregiver or friends.
- Your answers are private between you and your health care provider. We will only talk to your parent/guardian about this information if we have a serious concern about your health and safety. Before we talk to a parent/guardian, we will talk about it with you.
